

Smart Connectivity Transcript

Onscreen Text:

Smart Connectivity

Scene Description:

A series of different corporate workplaces, where men and women are working in data centers and offices. Icons and graphics animate in depicting a simplified connection between myNYLGBS and WORKDAY.

Voiceover:

Looking ahead in three years, 70% of employers say they'll rely more on vendor technology. More than half say they'll rely on technology from their insurance carriers.

Onscreen Text:

70% of employers believe they will rely on vendor tech. 57% will rely more on carrier tech. LIMRA & EY Workplace Benefits Study, 2021.

Voiceover:

That's why at New York Life Group Benefit Solutions, we're fulfilling our investment promise by making a strategic shift towards Smart Connectivity. Smart Connectivity with HR platform expertise, including a five-year strong relationship with more than 150 workday enabled clients to help you accelerate HR processes, make employee enrollment easy and intuitive, and simplify absence and claim tracking.

You can be confident working closely with our consultative teams who are trained to deliver streamlined access to information with portal reporting and two-way configurations powered by APIs and file feeds.

A single sign on for direct access to medical underwriting to simplify enrollment. Automated EOI decisions delivered to WORKDAY for accurate employee coverage and premiums. Leave and disability claim updates from New York Life Absence AssistSM, so you can access your employees most recent claims plus company, state, and federal leave plans. That's Smart Connectivity built directly into your WORKDAY application. Working with New York Life Group Benefit Solutions, you have a collaborative partner helping you make the most of your WORKDAY investment with service excellence, automated leave updates, and support for your employees in the moments that matter. It's how we're Putting Benefits To Work For PeopleSM.
